Hello everyone.

So the only rain this week happened to fall on our Sports Day—typical! Thank you for your understanding and patience in receiving notification and be assured that it was sent at the earliest opportunity. We will be following the same procedures as before on the rescheduled date of Thursday 20th July. Let's hope for better weather this time.

Children have been busy the last few weeks putting their art skills and flair to good use to create new displays around the school. Look out for the finished work soon. Thank you to all our children for their efforts.

We were entertained with a Rock Steady Concert on Thursday by our wonderful band members who totally rocked out to an audience of 200 people! They were amazing and I really hope all 15 of them continue to enjoy playing music.

Enjoy the last week of school everybody—especially the wonderful children in Year 2 who will be leaving us to begin the next part of their learning journey.

Road safety Day—Tuesday 18th July

Don't forget we have our Road Safety day on Tuesday 18th July. There will be an assembly at 2:15 which parents are invited to attend. Year 1 need parent volunteers between 9:00 and 11:00, so please let the teachers or office know if you can help. Please could all Year 2 children who have a scooter and helmet bring it in for this day.

Reports- The children's reports have now gone out to parents but we still have a few at the office which have not been collected yet. If you have not yet done so, please collect your child's report from the office as soon as possible.

Toy Cars- We would be grateful for donations of small toy cars to be used during lunch time play.

Ordering of School Meals- As we are now very near to the end of term, may we remind you to order your child's school meals for next term.
