

MUDEFORD COMMUNITY INFANTS SCHOOL

Happy confident learners

2023-2024 – where are we now?

Strengths	<ul style="list-style-type: none">• High achievement in reading, phonics and maths (with an upward trend in writing)• Engaging curriculum rooted in meaningful and systematic knowledge retention (in most subjects)• Children are happy and confident both socially and academically for the overwhelming majority of the time• Children centred culture including safeguarding, protecting, relationships and emotional support• High awareness of children with SEND and strategies to support are continually being developed
School Development	<ul style="list-style-type: none">• Ensure all children retain knowledge and make progress across all aspects of the curriculum with a focus on assessment and retrieval (building on and completing last year's curriculum sequencing planning)• Ensure there are carefully planned and well thought out opportunities to enhance children's personal development.• Further build expertise and commitment to children and staff's mental health and wellbeing
